Waynesville City Park

Who Are We? The Army Engineer Association (AEA) is a member-based, non-profit corporation specifically organized to facilitate cohesion, interaction, and networking within the United States Army Corps of Engineers total family of soldiers, civilians, family members, and alumni. As such, AEA serves as both the honor fraternity and alumni association for the Army Engineer Regiment.

Our Mission: Foster an understanding of the Army Engineer historical roles and contributions to the defense of the nation as well as helping us to raise and maintain the esprit of all members of the Army Engineers stationed on Fort Leonard Wood and in the State of Missouri both past and present.
