

A MILE IN THEIR SHOES 1ST ANNUAL 5K DECEMBER 4TH, 2021

Have you ever wondered what it was like to walk in one of our patrons shoes? Cold, rain, sleet, snow, and extreme heat, are some of the elements our patrons' experience. Our mission is to help limit this exposure or completely take it away. We offer meals, showers, laundry service, shelter, case management and hope.

We are taking a walk to Your Community Health Center on a cold December day to raise awareness of some of the challenges that people experiencing homelessness face. Along the way we will highlight stories of people we have helped at The Rolla Mission.

Shirts not guaranteed after 11/22

Individual Racer Information This section has to be filled out for every racer.
